

Exide SolaTubular 6LMS75L Battery Specification

Solar Tubular Plate Battery

Product	Specification	Gurantee	Gallery
	Renewable Energy Test Station certified solar battery		
	Ministry of New and Renewable Energy, India certified solar battery.		
	Solar tubular plate battery with a long life cycle		
	Low maintenance system		
	High charging efficiency		
	Low rate of self discharge		
	TORR tubular technology for reliable and consistent performance		
Supplied with factory charged condition
