PROFESSIONAL EXPERIENCE

Web Developer, New Directions Aromatics
Mississauga, ON, Canada

Aug 2012 – Present

- Made the site user friendly by implementing better user design practices
- Optimized the site which took the site's page speed ranking from 72 to 93 saving large amount of bandwidth for the company and page load time for the end user
- Installed Google Ecommerce/Newsletter Analytics enabling the company to see the trends on various aspects very clearly and to convert that information into more business
- Made the site more secure by identifying vulnerable points and securing them implementing various protection techniques and Flood control scripts
- Developed new modules to add extra functionality to the site
- Handled pc, printer and network related issues

Co-Founder and Project Manager, Double Space International
Kathmandu, Nepal

Jan 2010 – May 2012

- Successfully worked with clients to provide Digital Media Solution to suit their requirements and initiated follow-up meetings to ensure they were satisfied
- Designed promotional materials for Digital Ad-Players and developed browser based applications for Interactive Touch Screens
- Handled the development of websites from initial draft to completion

IT Manager, Rural Integrated Development Services – Nepal
Kathmandu, Nepal

Aug 2007 – Apr 2012

- Developed a new CMS based website
- Administered and developed content for the website
- Designed flyers and promotional materials for the organization
- Prepared accurate documentation, maintained backup and storage of all governing data
- Handled overall IT related issues
